POCUS WREXHAM

How the app works

1st International North Wales Acute Care & POCUS Conference, Saturday 5 December 2026, Wrexham Medical Institute.

1 Put the app on your phone

iPhone: open the link in Safari, tap Share, then Add to Home Screen.

Android: open the link in Chrome, tap the menu, then Install app.

Do this before you sign in. On iPhone the home-screen app keeps its own sign-in.

The button at the top switches between Auto, Light and Dark. Auto follows your phone.

2 Sign in

Tap Conferences and enter the email you registered with. We email you a 6-digit code, which works for 10 minutes.

There is no password, and you stay signed in for 60 days.

3 Choose your afternoon

Open My day. Pick one of 7 hands-on groups (6 places each) or the lecture theatre.

You can change your choice until 20:00 on Friday 4 December.

If the groups are full, choose the lecture theatre and tick the waitlist. We'll move you if a place opens.

4 Arrive and check in

Registration is 08:30 to 09:00. Open My day and show your check-in code at the desk.

5 Follow the agenda

The Agenda tab shows what's on now and next. The PDF programme is there too.

In the afternoon section, switch between the hands-on stations and the lecture theatre. It opens on your own choice.

6 Rate the posters

Browse posters in the Posters tab and tap one to see it full size.

Rate the ones you've seen out of 5 stars for content, clarity and design, relevance and overall impression. You can change a rating until rating closes. Your ratings help the judges choose Best Poster.

7 Feedback and your certificate

Once you're checked in, the Feedback tab opens. It takes about 2 minutes: star ratings for the day, the organisation, the content and each part of your afternoon, then a few short questions.

Your certificate of attendance is ready as soon as you send it, and it also stays on My day.

8 No signal?

Pages you've already opened still work offline: the agenda, My day with your check-in code, the posters and the programme.

Stuck? Ask at the registration desk or email events@pocuswrexham.com.
